## A LITTLE ABOUT ME

Welcome to 2<sup>nd</sup> Grade! My name is Mrs. Pelletier. I am so excited for the upcoming school year!.

My husband and I have lived in the Windham/Raymond area for over 25 years. We have 2 grown children, and a sweet granddaughter named Bella. We also have 3 dogs and some chickens.

I am looking forward to our partnership this upcoming year as we work together to help your child be an independent, lifelong learner.

Enjoy your summer. I look forward to meeting you in the fall.
